

8th January 2019

Dear Parents & Carers,

We trust that you have had a positive start to 2019, and are looking forward to an exciting new year.

This letter is to cordially invite you and your child to an **Exam Preparation Event**, hosted here at BBG Academy, on **Thursday, 24th January**, from 5PM to 7:15PM. (Doors at 4:45)

We have run this event for a few years now, and have made some changes based on feedback from parents. The essence of the event will be the same – combining motivation and practical information for navigating these last few months of your child's secondary education. The night will include:

- Motivational Presentations from RMAAT Staff
- Subject Specific Revision for Core subjects: English / Maths / Science
- Subject Specific Revision for Options subjects

At the event, after an introductory presentation, you will be put into groups with your child - that will allow you to get subject-specific revision input for all subjects, as well as information on key revision techniques.

Our events over the last few years have been very well received by both parents and students, and helped to set the stage for our students' consistent success at GCSE. We look forward to seeing you and your child there!

Thank you,

Sharon Brack
Deputy Headteacher

PLEASE RETURN THIS SLIP BY MONDAY, 14 JANUARY 2018

This reply slip is to confirm that I **WILL** be attending the Exam Preparation Event.

My name is:

My child's name is:
